PRESIDENT'S MESSAGE

Greetings, NECA cemeterians,

I would like to start by thanking all of our members for trusting me to lead our great organization for the last several months. I was, and continue to be, humbled by the opportunity. I also would like to congratulate our Immediate Past President David Boyle for a job well done in the previous year, and for planning an amazing event for our 121st Annual Meeting & Conference, which was held at the Hawthorne Hotel in Salem, MA. The event was certainly a resounding success so thank you to Dave, all of our suppliers, and to everyone that participated.

I also had the wonderful opportunity to work with my fellow Education Committee members Dave Raposa, Pam Brown, Joe Swift, and Dave Boyle to host our 54th Annual Frederick R. Laffond Cemetery Management Seminar at the Publick House in Sturbridge, MA on December 2-4. This event is simply a must attend, every year. I have been attending for several years now and every single event has been an incredibly worthwhile experience. I personally took over my current position with almost no experience, and attending these events was how I first started to educate myself, found the right suppliers to work with, and really learned the ins and outs of the industry. So, I highly encourage everyone to attend whenever possible.

I will be hosting the 122nd NECA Annual Meeting and Conference in my home state of Rhode Island at the Providence Marriott Downtown on June 16-18. We will have great speakers, suppliers, a tour of St. Ann's Cemetery and their new mausoleum, and amazing networking opportunities in addition to the Supplier Expo. It should be a great event. I hope to see everyone there, and at the next Laffond in December as well!

Finally, I want to extend a special thank you to all of my fellow Officers and Directors of the Board for all of their support and hard work, including our newly appointed Director/Supplier Liaisons, Karin Sprague from Karin Sprague Stone Carvers and Marc Lamb from PlotBox, as well as Doak Morasco from Davey Tree who served in this role previously. Including the suppliers on our Board, and benefitting from their unique insight and expertise, has proven to not only be an incredibly valuable resource for our organization, but an example of what we can accomplish with a little bit of teamwork. It has truly been an honor and privilege to work with each and every one of you. Thank you and I hope everyone has a wonderful rest of the year.

Sincerely,

Gregory M. Howard, NECA President

New England Cemetery Association CONSTITUTION

as amended June 18, 2024

Acknowledging the common desire to preserve, maintain and embellish cemeteries within the six New England States, we have come together to create the New England Cemetery Association. This association of individuals, who have a common interest in and are employed by or have an ownership of a cemetery within the bounds of the New England States, is dedicated to the dissemination of knowledge and ideas pertaining to the preservation of, management of and the establishment of cemeteries for the benefit of the citizens of New England.

Article 1: NAME: The name of the corporation shall be NEW ENGLAND CEMETERY ASSOCIATION (also referred as the Association within this document).

Article 2: PURPOSE: The purpose for which this corporation is organized shall be the collection and dissemination of information of an educational nature pertaining to the operation, maintenance and improvement of New England Cemeteries, both active and historical.

Article 3: MEMBERSHIP: The Association shall consist of the following classifications: Active, Honorary, Associate and Supplier member. No person shall be eligible for membership to the Association who cannot subscribe to the Code of Ethics adopted by the New England Cemetery Association as enunciated in Article 6. Conduct in violation of said code on the part of any member shall be grounds for registration of a complaint to the Board of Directors requesting expulsion. Membership in any of the Association classifications must be approved by the Board of Directors.

Article 4: OFFICERS AND DIRECTORS: The officers of the Association shall be: President, Vice President, Secretary, Treasurer and these officers shall be members of the Board of Directors. They shall be elected by ballot at the Annual Meeting, to take office at the adjournment thereof. The terms of office of their predecessors shall then expire. They shall have the usual duties as set forth in the New England Cemetery Association By-Laws and any other duties imposed by the Board of Directors and act as the Executive Board of the Association. The Secretary shall act as clerk to the Directors. There shall be elected a minimum of four (4) Directors with a maximum of eight (8). Two (2) of these Director positions shall be filled by Past Presidents of the organization. All Directors will be elected for a term of one year. The Directors shall have the usual duties as set forth in the New England Cemetery Association By-Laws. In addition to the elected Directors, the immediate Past President shall be a member of the Board of Directors. At no time shall there be fewer than nine members on the Board of Directors nor more than thirteen members.

Article 5: BOARD OF DIRECTORS: The management of the affairs of the Association, including the power to deal with the properties in any manner shall be in the hands of the Board of Directors. Vacancies in any office for any reason shall be filled by the Board of Directors from the active membership for the balance of the unexpired term, except in the case of a vacancy in the Board of Directors. The Board of Directors may fill the vacancy for the balance of the year and a Director shall be elected at the next Annual Meeting to fill the unexpired term of any such Director. A quorum shall be comprised of 50% of the Board of Directors who shall be present for the valid transaction of business. An agenda shall be distributed in advance to each member of the Board of Directors. Only items on the agenda may be dealt with at this time, motions arising at any meeting of the Board of Directors will be decided by a majority of those present.

Article 6: CODE OF ETHICS: The fundamental purpose for which this Association exists is to inspire continued effort toward the improvement of American cemeteries. To this end it seems essential that we declare the principles and ethics upon which rests the successful administration of our affairs.

We believe that it is necessary in such a declaration that we here condemn the practice of selling cemetery property for speculative or investment purposes, or upon the promise of re-sale at a profit. That such a practice is detrimental to public interest is self-evident. It defies the fundamental concept upon which the development of our industry has been predicated and constitutes a threat to our advancement by abusing the privileges and prerogatives which we administer as a public trust.

We consider that fair dealing with the general public requires that we devote our attention to enlightenment of the people with whom we come in contact, and we charge ourselves with the responsibility of guiding and assisting individuals in their relations with us to the end that their interests be well served. We believe in the fundamental precepts of fair competition, dedicating ourselves to the preservation of those standards which were indigenous to the founders of this Association, and which have been followed by us until an unwritten code of ethical conduct has become inherent on our method of operation.

We believe that the purposes for which this Association exists cannot be passive in nature, but that we are charged further with the responsibility of educating others to the high standards of conduct herein defined.

We offer this declaration as a basic code of ethical conduct to which we, as an Association and as individual members, subscribe - placing our faith and credit in the broad basic principles here enunciated.

Article 7: MEETINGS: Each year there shall be an Annual Meeting of the Association and any such other special meeting as desired may be called by the President with the approval of the Board of Directors or on a vote of the Association. The exact time and place of the meeting shall be set by the Board of Directors and may include virtual meeting so long as there is a method of communication and voting. The call of the meeting shall be delivered either by hand, email or United States Postal Service, to the membership at least thirty (30) days before the time set, therefore.

Article 8: SUNSET CLAUSE, DISSOLVING of the CORPORATION: At such a time the Board of Directors deems the dissolution of the New England Cemetery Association necessary, the Board of Directors may make a recommendation, in writing, hand delivered, emailed, or mailed by United States Postal Service, to the membership of the Association. Such a recommendation shall be made, at minimum, 30 days prior to any annual meeting or special meeting called by the Board of Directors. Approval of the Dissolution of the Corporation shall require an affirmative vote of three-fourths of the members present and voting. All assets of the New England Cemetery Association shall be divided among the six New England state cemetery associations, to the percentage of members from that state.

Article 9: CONSTITUTIONAL AMENDMENTS: This constitution may be amended by a two-thirds vote of those present and voting at any Annual Meeting, provided notice of each proposed amendment be stated on the call of the meeting.
