PRESIDENT'S MESSAGE

Greetings, NECA cemeterians,

First, I hope everyone had a nice, productive spring and is off to a great start to 2026. Beyond that, I can sincerely say it has been my great honor and privilege to lead this great organization for the last two years, and I cannot thank each and every one of you enough for granting me such an amazing opportunity. Serving as your President has been one of the highlights of my career to this point, and all of your continued enthusiastic participation is what makes NECA the truly special group that it is. So, again, thank you.

I also want to thank everyone that attended the 55th Frederick R. Laffond Cemetery Management Seminar at the Publick House in Sturbridge, as well as the Annual 123rd NECA Annual Meeting and Conference, which was held at the Hilton Mystic in Mystic, CT on June 15-17. For those of you that did not make it, sadly you missed a fantastic event. We had some tremendous presenters, including keynote speaker, Dallin Cooper, that everyone seemed to draw something from. The feedback I have received from the entire group has just been phenomenal.

To my fellow Officers and Directors of the Board that I have had the pleasure to serve with, including the Supplier Liaisons, I will forever be in your debt for all of the hard work and support over these last two years. It is certainly not an easy task to balance our jobs, family life, volunteer work, etc., so, your support and dedication have been so very much appreciated. We were able to work together to put on some incredible events, while also keeping the organization in a very strong financial position. I am very proud, as you all should be, of the work we did, and quite excited about where this organization is headed in the near future and beyond.

Finally, I want to congratulate our incoming President, David Raposa, Jr. and all of the newly elected Officers and Directors that will be taking this organization forward over the next two years. This group, for the first time, will also include one or two Supplier Directors, with voting privileges, as we continue to strengthen our relationship with our valued suppliers that continue to give us their unwavering support. Amazingly, we had 23 suppliers come to Mystic for the Annual Meeting, many of which made donations in addition to their registration, which was incredibly generous. Thank you all, and I hope everyone has a wonderful rest of the year.

Sincerely,

Gregory M. Howard, NECA President

In Loving Memory

Joseph R. Swift

August 20, 1943 –
May 8, 2026

It is with sadness that we recognize the loss of our long-time colleague and friend, Joseph R. Swift. Joe joined the New England Cemetery Association in 1998, served as President in 2007, and has actively served as Treasurer since 2009.

Joe will be fondly remembered for having lived his life devoted to the service to others.

In addition to NECA, Joe was President of Highland Memorial Park in Johnstown, RI; a member of the Rhode Island Cemetery Association where he served as Legislative Liaison; and an active member of the Johnstown Lions Club, recently serving as their President.

For colleagues and friends, Joe's legacy is the knowledge and professionalism that he so willingly and readily shared with others. Joe was a great storyteller, the memories of him as master of ceremonies at NECA events will not be forgotten.

Above all, Joe cherished his family. On behalf of NECA, we wish Joe's family finds comfort and solace through this difficult time; it was truly an honor to have known and worked with him.

Expand your cemetery's services with a columbarium unit that honors the need for dignified, permanent memorialization.

Meet growing demand: As cremation rates continue to rise, offering niches attracts families seeking lasting memorials.

New revenue stream: Provides immediate niche sales, perpetual care income, and long-term community value.

Low maintenance, high dignity: Weather resistant materials and customizable nameplates provide an elegant, low maintenance solution.

Flexible, scalable options: Choose from single, companion, and community columbaria, modular expandability to suit space and budget.

Community goodwill: Columbarium units create a focal point for memorial ceremonies and veteran recognition.

New England Cemetery Association CONSTITUTION

as amended June 16, 2026

Acknowledging the common desire to preserve, maintain and embellish cemeteries within the six New England States, we have come together to create the New England Cemetery Association. This association of individuals, who have a common interest in and are employed by or have an ownership of a cemetery within the bounds of the New England States, is dedicated to the dissemination of knowledge and ideas pertaining to the preservation of, management of and the establishment of cemeteries for the benefit of the citizens of New England.

Article 1: NAME: The name of the corporation shall be NEW ENGLAND CEMETERY ASSOCIATION (also referred as the Association within this document).

Article 2: PURPOSE: The purpose for which this corporation is organized shall be the collection and dissemination of information of an educational nature pertaining to the operation, maintenance and improvement of New England Cemeteries, both active and historical.

Article 3: MEMBERSHIP: The Association shall consist of the following classifications: Active, Honorary, Associate and Supplier member. No person shall be eligible for membership to the Association who cannot subscribe to the Code of Ethics adopted by the New England Cemetery Association as enunciated in Article 6. Conduct in violation of said code on the part of any member shall be grounds for registration of a complaint to the Board of Directors requesting expulsion. Membership in any of the Association classifications must be approved by the Board of Directors.

Article 4: OFFICERS AND DIRECTORS: The officers of the Association shall be: President, Vice President, Secretary, Treasurer and these officers shall be members of the Board of Directors. They shall be elected by ballot at the Annual Meeting, to take office at the adjournment thereof. The terms of office of their predecessors shall then expire. They shall have the usual duties as set forth in the New England Cemetery Association By-Laws and any other duties imposed by the Board of Directors and act as the Executive Board of the Association. The Secretary shall act as clerk to the Directors. There shall be elected a minimum of five (5) Directors with a maximum of nine (9). Two (2) of these Director positions shall be filled by Past Presidents of the organization and at least one (1), but no more than two (2), of these Director positions shall be filled by Supplier Members of the organization. All Directors will be elected for a term of one year. The Directors shall have the usual duties as set forth in the New England Cemetery Association By-Laws. In addition to the elected Directors, the immediate Past President shall be a member of the Board of Directors. At no time shall there be fewer than ten (10) members on the Board of Directors nor more than fifteen (15) members.

Article 5: BOARD OF DIRECTORS: The management of the affairs of the Association, including the power to deal with the properties in any manner shall be in the hands of the Board of Directors. Vacancies in any office for any reason shall be filled by the Board of Directors from the active membership for the balance of the unexpired term, except in the case of a vacancy in the Board of Directors. The Board of Directors may fill the vacancy for the balance of the year and a Director shall be elected at the next Annual Meeting to fill the unexpired term of any such Director. A quorum shall be comprised of 50% of the Board of Directors who shall be present for the valid transaction of business. An agenda shall be distributed in advance to each member of the Board of Directors. Only items on the agenda may be dealt with at this time, motions arising at any meeting of the Board of Directors will be decided by a majority of those present.

Article 6: CODE OF ETHICS: The fundamental purpose for which this Association exists is to inspire continued effort toward the improvement of American cemeteries. To this end it seems essential that we declare the principles and ethics upon which rests the successful administration of our affairs.

We believe that it is necessary in such a declaration that we here condemn the practice of selling cemetery property for speculative or investment purposes, or upon the promise of re-sale at a profit. That such a practice is detrimental to public interest is self-evident. It defies the fundamental concept upon which the development of our industry has been predicated and constitutes a threat to our advancement by abusing the privileges and prerogatives which we administer as a public trust.

We consider that fair dealing with the general public requires that we devote our attention to enlightenment of the people with whom we come in contact, and we charge ourselves with the responsibility of guiding and assisting individuals in their relations with us to the end that their interests be well served. We believe in the fundamental precepts of fair competition, dedicating ourselves to the preservation of those standards which were indigenous to the founders of this Association, and which have been followed by us until an unwritten code of ethical conduct has become inherent on our method of operation.

We believe that the purposes for which this Association exists cannot be passive in nature, but that we are charged further with the responsibility of educating others to the high standards of conduct herein defined.

We offer this declaration as a basic code of ethical conduct to which we, as an Association and as individual members, subscribe - placing our faith and credit in the broad basic principles here enunciated.

Article 7: MEETINGS: Each year there shall be an Annual Meeting of the Association and any such other special meeting as desired may be called by the President with the approval of the Board of Directors or on a vote of the Association. The exact time and place of the meeting shall be set by the Board of Directors and may include virtual meeting so long as there is a method of communication and voting. The call of the meeting shall be delivered either by hand, email or United States Postal Service, to the membership at least thirty (30) days before the time set, therefore.

Article 8: SUNSET CLAUSE, DISSOLVING of the CORPORATION: At such a time the Board of Directors deems the dissolution of the New England Cemetery Association necessary, the Board of Directors may make a recommendation, in writing, hand delivered, emailed, or mailed by United States Postal Service, to the membership of the Association. Such a recommendation shall be made, at minimum, 30 days prior to any annual meeting or special meeting called by the Board of Directors. Approval of the Dissolution of the Corporation shall require an affirmative vote of three-fourths of the members present and voting. All assets of the New England Cemetery Association shall be divided among the six New England state cemetery associations, to the percentage of members from that state.

Article 9: CONSTITUTIONAL AMENDMENTS: This constitution may be amended by a two-thirds vote of those present and voting at any Annual Meeting, provided notice of each proposed amendment be stated on the call of the meeting.
