

In consideration of the State of Emergency declared by all six of the New England states in response to the COVID-19 pandemic, the Board of Directors of the New England Cemetery Association has determined that it is unwise to plan and conduct the Annual Meeting and Conference for the association this year. In a unanimous vote of the Board of Directors, the 2020 Annual Meeting and Conference has been cancelled. The 2021 Annual Meeting and Conference been scheduled for June 21 through June 24, 2021 at Church Landing in Meredith, NH.

As we will be unable to conduct the Annual Meeting in a safe, secure manner, the Board of Directors, in a unanimous vote, have also taken the unusual step to postpone election of new Officers and Directors to the 2021 Annual Meeting. All current Officers and Directors have willingly agreed to serve up through the 2021 Annual Meeting.

The Board of Directors hope that the Frederick R. Laffond Cemetery Management Seminar will proceed as planned this December at the Publick House in Sturbridge, MA.

We hope that everyone is well and staying safe during these unusual times.
